

- Trendy and stylish bicolor mini design
- Up to 1 TB capacity
- Mobile and convenient
- Performance and reliability
- USB 2.0 High Speed
- Plug & Play

With an ultra-speed transfer rate USB 2.0, the Kiosk Series can store easily all kind of datas: videos, music, photos and working files... Easy to plug, it connects in a few seconds to your computer and will be recognized easily. It's a real solution when your computer has no more enough space for an internal hard drive and to easily exchange all your files.

Its trendy bicolor black and white design also offers an appropriate aeration to safely keep all your datas.
