

7.6mm

- Audio, Video and Photo player
- Ultra Slim
- 1.8" CSTN screen, 65K colours
- Rechargeable Li-Polymer battery
- Micro SD card reader

Still looking for innovation, Memup launches K-Slim LS (Limited Series), new version of current K-Slim. You will enjoy its video, audio, photo functions but also its ultra slim design (7.6mm thickness). This MP4 player allows you to watch your favourite videos, photos or to read e-books on a 1.8" screen. You can extend the memory or exchange datas using the card reader. Recharge it with its built-in Li-Polymer battery and enjoy up to 12 hours playing time!
