

- Video, Audio and Photo multimedia hard disk
- Connection: Wifi - LAN and 2 USB Host
- Watch your movies in High Definition
- Listen to your favourite MP3 files
- Watch thousand of pictures
- Complete your full Home Cinema system
- USCS technology (Ultra Silent & Cooling System)

Watch all your personal multimedia files through your domestic network thanks to Wifi or LAN.

Its design fits with any living-room style thanks to an elegant silver finish. For your comfort, the USCS technology prevents from heat and noise to watch your medias in the best conditions.

With a HDMI video output, TWX could reach a 1080p resolution, a perfect image quality dedicated to Full HD TV Set. The Mediadisk TWX Series is the convenient player to your digital files. 2 USB host plugs will help you to read or to extend capacity with external hard drives or USB keys.
