

- Video, Audio and Photo multimedia hard disk
- Record and watch your movies in High Definition
- Connection: LAN and 2 USB Host
- Listen to your favourite MP3 files
- Copy and watch thousand of pictures
- NAS technology (Noiseless Advanced System)

Elegant with a stylish silver design, the MediaDisk NRX Series records your favourite broadcasts with TimeShift and Schedule Recording functions. Recording mode is reaching a DVD quality.

With a HDMI output, NRX reaches a 1080i resolution at play and a Full HD image resolution.

A user-friendly interface was especially developed to ease navigation among different functions.

The Mediadisk NRX Series can be connected to the network to read, to copy or to extend capacity with external hard drives, USB keys or memory cards. With Copy/Paste management, you can move files from a media to another.
