

- Multimedia hard disk : Video, Audio and Photos
- 2.5" S-ATA format
- Watch all your movies in DVD quality
- Listen to your favourite MP3 files
- Copy and watch thousand of pictures
- USB Host

Carry and watch your Multimedia files everywhere. Mediadisk SX Series is the first Memup media player to include a 2.5" S-ATA hard drive, the lightest of its generation. The Mediadisk SX is your ideal travel companion, you can use it both as an external hard drive and a multimedia player, to backup and to share all datas with friends or family. With a HDMI and RCA composite output, all TV screens are compatible with Mediadisk SX. Watch anytime, anywhere, all your multimedia contents through the USB Host.
